

Hair System AFTERCARE

TO ENSURE THE LONGEVITY, COMFORT, AND NATURAL LOOK OF YOUR HAIR SYSTEM, PLEASE FOLLOW THE AFTERCARE GUIDELINES BELOW. PROPER CARE IS ESSENTIAL FOR MAINTAINING BOTH YOUR INVESTMENT AND YOUR CONFIDENCE.

THE FOLLOWING GUIDELINES:

HOW TO CARE FOR YOUR SYSTEM:

Daily Care:

- Gentle Brushing: Use a soft-bristle brush. Start at the ends and work upward. Hold the base of the hair system to avoid tension on the attachment area.
- Sleeping: Always secure your hair in a loose braid or ponytail before bed. Use a silk or satin pillowcase to minimize friction.
- Styling: Use heat tools on a low to medium setting. Always apply a heat protectant. Avoid excessive tugging or pulling.

Washing & Conditioning:

- Frequency: Wash your hair system 1–2 times per week, or as recommended.
- Shampoo: Use sulfate-free, gentle shampoo (Davines recommended). Gently massage the scalp and hair system—**do not rub or twist**.
- Conditioner: Apply conditioner from mid-length to ends. Avoid the base/attachment area.
- Rinsing: Rinse with cool to lukewarm water. **Do not use hot water.**

Drying:

- Towel Dry: Blot gently—**never rub**.
- Blow Dry: Use a low heat setting. Dry the base/attachment area thoroughly to prevent moisture buildup.

Maintenance & Appointments:

- Follow-Up Visits: Schedule maintenance appointments every 4–6 weeks, or as recommended.
- Product Use: Only use products recommended to avoid buildup or damage.
- Do Not Attempt Removal: Never attempt to remove or reattach your hair system at home. Always contact us for adjustments or removal.

USE PROFESSIONAL PRODUCTS:

- We carry Davines hair care products for your hair, they are PH balanced and help to maintain the longevity of your hair and are system safe. We strongly advise and encourage you to purchase these products, of which we always have available at our salon or online on our website @Vagaro.pdxhairextensions.com
[Serum is the one product you will need the most]
- In the beginning of your hair system journey, a pliable paste or moldable gel may be all you will need once the system begin to get dry or frizzy you can add additional products according to your stylist recommendations.
